The Issuer will not be otherwise responsible for stamp or other similar duties or taxes otherwise imposed and in particular (but without prejudice to the generality of the foregoing) for any interest and/or penalties arising on account of late payment where due by the Noteholder to the extent that such interest and/or penalties arise or increase after a Noteholder has been notified, or is otherwise aware, that such payment has become due, provided that the Issuer has complied with its obligations pursuant to this Clause 6 (*Fees, Duties and Taxes*).

- 17.2 In the event of the occurrence of an Event of Default or the Note Trustee considering it expedient or necessary or being requested by the Issuer to undertake duties which the Note Trustee and the Issuer agree to be of an exceptional nature or otherwise outside the scope of the normal duties of the Note Trustee under these presents the Issuer shall pay to the Note Trustee such additional remuneration at the Note Trustee's then applicable hourly rate as shall be agreed between them at the relevant time. Without limitation, any duties in connection with the granting of waivers or modifications, the substitution of the Issuer or the taking of enforcement action and at any time during the period after the taking of such enforcement action shall be deemed to be of an exceptional nature.

The Note Trustee and any Appointee shall be entitled to be indemnified in full out of the Charged Assets in respect of any payment by the Issuer under this Clause 17 (*Remuneration and Indemnification of the Note Trustee*). Following the service of an Enforcement Notice on the Issuer subject to and in accordance with Condition 11 (*Events of Default*), the Note Trustee may retain any part of any moneys in its hands arising from the trusts of these presents necessary to effect any indemnity and also to meet the remuneration of the Note Trustee hereinbefore provided and the Note Trustee shall have a lien on the Charged Assets for all moneys payable to it under these presents or otherwise howsoever. Any amounts payable pursuant to Clauses 17.1 to 17.2 (inclusive) shall carry interest at the aforesaid rate from the due date thereof to the date of actual payment.

- 17.8 Notwithstanding anything else in this Clause 17 (*Remuneration and Indemnification of the Note Trustee*), prior to the enforcement of the Security any payments made by the Issuer to the Note Trustee will only be made on an Interest Payment Date, the Early Redemption Date or the Optional Purchase Completion Date and at all times in accordance with, and subject to, the Priorities of Payments.
- 17.9 The provisions of Clauses 17.5 and 17.6 will be obligations of the Issuer separate and independent from its obligations under the other provisions of this Deed and will apply irrespective of any waiver granted by the Note Trustee or the Noteholders or any of them and will continue in full force and effect notwithstanding a judgment or order or filing of any proof or proofs in any bankruptcy, insolvency or liquidation of the Issuer for a liquidated amount or amounts related to amounts due under this Deed (other than this Clause 17 (*Remuneration and Indemnification of the Note Trustee*)). Any such deficiency as referred to above will be deemed to be a loss suffered by the Noteholders and no proof or evidence of any actual loss will be required by the Issuer or their liquidator or liquidators.
- 17.10 Unless otherwise specifically stated in any discharge of these presents the provisions of this Clause 17 (*Remuneration and Indemnification of the Note Trustee*) shall continue in full force and effect notwithstanding such discharge and whether or not the Note Trustee is then the Note Trustee of these presents or following the expiry or termination of this Deed, howsoever caused.

18. SUPPLEMENT TO TRUSTEE ACTS

Section 1 of the Trustee Act 2000 shall not apply to the duties of the Note Trustee in relation to the trusts constituted by these presents. Where there are any inconsistencies between the Trustee Acts and the provisions of these presents, the provisions of these presents shall, to the extent allowed by law, prevail and, in the case of any such inconsistency with the Trustee Act 2000, the provisions of these presents shall constitute a restriction or exclusion for the purposes of the Trustee Acts. The Note Trustee shall have all the powers conferred upon trustees by the Trustee Acts and by way of supplement thereto it is expressly declared as follows:

- (a) The Note Trustee may in relation to these presents and the other Transaction Documents rely or act on the advice or report or opinion of or any information obtained from any auditor, lawyer, valuer, accountant, surveyor, banker, professional adviser, broker, financial adviser, auctioneer or other expert whether obtained by the Issuer, the Principal Paying Agent, the Note Trustee or otherwise and whether or not addressed to the Note Trustee (notwithstanding that such advice, report, opinion, information, or any engagement letter or any other document entered into by the Note Trustee and the relevant person in connection therewith, contains any monetary or other limit on the liability of the relevant person

or limits the scope and/or basis of such advice, report, opinion or information) and the Note Trustee shall not be responsible for any Liability occasioned by so acting or relying.

- (b) Any such advice, opinion or information may be sent or obtained by letter, facsimile transmission or email and the Note Trustee shall not be liable for acting on any advice, opinion or information purporting to be conveyed by any such letter, facsimile transmission or email although the same shall contain some error or shall not be authentic.
- (c) The Note Trustee may call for and shall be at liberty to accept as sufficient evidence of any fact or matter or the expediency of any transaction or thing without being required to make any further investigation in respect thereof, a certificate or report signed by two directors of the Issuer and/or two authorised signatories of any other person and the Note Trustee shall not be bound in any such case to call for further evidence or be responsible for any Liability that may be occasioned by it or any other person acting on such certificate or report.
- (d) The Note Trustee shall be at liberty to hold these presents and any other documents relating thereto or to deposit them in any part of the world with any banker or banking company or company whose business includes undertaking the safe custody of documents or lawyer or firm of lawyers considered by the Note Trustee to be of good repute and may deposit these presents and any other documents relating to these presents with such custodian and the Note Trustee shall not be responsible for or required to insure against any Liability incurred in connection with any such holding or deposit and may pay all sums required to be paid on account of or in respect of any such deposit.

- (f) The Note Trustee shall not be bound to give notice to any person of the execution of any Transaction Document or documents comprised or referred to in these presents or to take any steps to ascertain whether any Event of Default has occurred and, until it shall have actual knowledge or express notice pursuant to these presents to the contrary, the Note Trustee shall be entitled to assume that no Event of Default has occurred and that the Issuer and each of the other parties to the Transaction is observing and performing all of its obligations under these presents and the other Transaction Documents.
- (g) Save as expressly otherwise provided in these presents, the Note Trustee shall have absolute and uncontrolled discretion as to the exercise or non-exercise of its trusts, powers, authorities and discretions under these presents (the exercise or non-exercise of which as between the Note Trustee and the Noteholders shall be conclusive and binding on the Noteholders) and shall not be responsible for any Liability which may result from their exercise or non-exercise and in particular the Note Trustee shall not be bound to act at the request or direction of the Noteholders or otherwise under any provision of these presents or to take at such request or direction or otherwise any other action under any provision of these presents, without prejudice to the generality of Clause 10 (*Action, Proceedings and Indemnification*), unless it shall first be indemnified and/or secured and/or

prefunded to its satisfaction against all Liabilities to which it may render itself liable or which it may incur by so doing.

- (h) The Note Trustee shall not be liable to any person by reason of having acted upon any Extraordinary Resolution or Ordinary Resolution of the holders of the Most Senior Class or other resolution purporting to have been passed at any meeting of the holders of the Most Senior Class in respect whereof minutes have been made and signed or any Extraordinary Resolution passed by way of electronic consents received through the relevant Clearing System(s) in accordance with these presents or any direction or request of the holders of the Notes of all or any Class even though subsequent to its acting it may be found that there was some defect in the constitution of the meeting or the passing of the resolution that it was not signed by the requisite number of holders or (in the case of an Extraordinary Resolution passed by electronic consents received through the relevant Clearing System(s)) it was not approved by the requisite number of holders or that for any reason the resolution, direction or request was not valid or binding upon such holders.
- (i) The Note Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any Note purporting to be such and subsequently found to be forged or not authentic.
- (j) Any consent or approval given by the Note Trustee for the purposes of these presents may be given on such terms and subject to such conditions (if any) as the Note Trustee thinks fit and, notwithstanding anything to the contrary in these presents, may be given retrospectively.
- (k) The Note Trustee shall not (unless and to the extent ordered so to do by a court of competent jurisdiction) be required to disclose to any Noteholder or any other Secured Creditor any information (including information of a confidential, financial or price sensitive nature) made available to the Note Trustee by the Issuer or any other person in connection with these presents or the Deeds of Charge and no Noteholder or other Secured Creditor shall be entitled to take any action to obtain from the Note Trustee any such information.
- (l) The Note Trustee may certify that any of the conditions, events and acts set out in Condition 11 (*Events of Default*) (each of which conditions, events and acts shall, unless in any case the Note Trustee in its absolute discretion shall otherwise determine, for all the purposes of these presents be deemed to include the circumstances resulting therein and the consequences resulting therefrom) is in its opinion materially prejudicial to the interests of the Noteholders and any such certificate shall be conclusive and binding upon the Issuer and the Noteholders.
- (m) Where it is necessary or desirable for any purpose in connection with these presents to convert any sum from one currency to another it shall (unless otherwise provided by these presents or required by law) be converted at such rate or rates, in accordance with such method and as at such date for the determination of such rate of exchange, as may be specified by the Note Trustee in its absolute discretion but having regard to current rates of exchange and any rate, method and date so agreed shall be binding on the Issuer and the Noteholders, and the Note Trustee shall not be liable for any Liability occasioned by such conversion under this Clause 18(m).
- (n) The Note Trustee as between itself, the Noteholders and the Secured Creditors may determine all questions and doubts arising in relation to any of the provisions

of these presents or any other Transaction Document. Every such determination, whether or not relating in whole or in part to the acts or proceedings of the Note Trustee, shall be conclusive and shall bind the Note Trustee, the Noteholders and the Secured Creditors.

- (o) In connection with the exercise by it of any of its trusts, powers, duties, authorities or discretions under these presents or any other Transaction Document:
 - (i) (including any modification, waiver, authorisation or determination), the Note Trustee shall have regard to the general interests of the Noteholders of each Class (but shall not have regard to any interests arising from circumstances particular to individual Noteholders whatever their number) and, in particular but without limitation, shall not have regard to the consequences of such exercise for individual Noteholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Note Trustee shall not be entitled to require, nor shall any Noteholder be entitled to claim, from the Issuer, the Note Trustee or any other person any indemnification or payment in respect of any Tax or stamp duty consequences of any such exercise upon individual Noteholders, except to the extent already provided for in Condition 9 (*Taxation*); and
 - (ii) the Note Trustee shall, except where expressly provided otherwise, have regard to the interests of each Class of the Noteholders, provided that if there is a conflict of interest between the interests of the Noteholders of different Classes, the Note Trustee shall have regard to the interests of the holders of the Class of Notes ranking in priority to the other relevant Classes of Notes in the Post Enforcement Priority of Payments and the holders of such subordinated Classes of Notes shall have no claim against the Note Trustee for doing so.
- (p) Any Note Trustee of these presents being a lawyer, accountant, broker or other person engaged in any profession or business shall be entitled to charge and be paid all usual and proper professional and other charges for business transacted and acts done by him or his firm in connection with the trusts of these presents or any other of the Transaction Documents to which the Note Trustee is a party and also his proper charges in addition to disbursements for all other work and business done and all time spent by him or his firm in connection with matters arising in connection with these presents including matters which might or should have been attended to in person by a Note Trustee not being a lawyer, accountant, broker or other professional person.
- (q) The Note Trustee may whenever it thinks fit delegate by power of attorney or otherwise to any person or persons or fluctuating body of persons (whether being a joint trustee of these presents or not) not being a person to whom the Issuer may reasonably object all or any of its trusts, powers, authorities and discretions under these presents. Such delegation may be made upon such terms (including power to sub-delegate) and subject to such conditions and regulations as the Note Trustee may in the interests of the Noteholders think fit. Provided the Note Trustee has exercised reasonable care in the selection of any such delegate, the Note Trustee shall not be under any obligation to supervise the proceedings or acts of any such delegate or sub-delegate or be in any way responsible for any loss or Liability

incurred by reason of any misconduct or default on the part of any such delegate or sub-delegate (except where such delegate or sub-delegate is an affiliate, associate or otherwise connected with the Note Trustee). The Note Trustee shall give a reasonable prior notice to the Issuer of any such delegation or any renewal, extension or termination and shall procure that any delegate shall also give reasonable prior notice to the Issuer of any sub-delegate.

- (r) The Note Trustee may in the conduct of the trust constituted hereunder instead of acting personally employ and pay an agent not being a person to whom the Issuer might reasonably object (whether being a lawyer or other professional person) to transact or conduct, or concur in transacting or conducting, any business and to do, or concur in doing, all acts required to be done in connection with these presents (including the receipt and payment of money). Provided the Note Trustee has exercised reasonable care in the selection of any such agent, the Note Trustee shall not be in any way responsible for any Liability incurred by reason of any misconduct or default on the part of any such agent or be bound to supervise the proceedings or acts of any such agent.
- (s) The Note Trustee shall not be responsible for the execution, delivery, legality, effectiveness, adequacy, genuineness, validity, enforceability or admissibility in evidence of these presents and any other Transaction Document or any other document relating or expressed to be supplemental thereto and shall not be liable for any failure to obtain any licence, consent or other authority for the execution, delivery, legality, effectiveness, adequacy, genuineness, validity, performance, enforceability or admissibility in evidence of these presents and any other Transaction Document or any other document relating or expressed to be supplemental thereto.
- (t) The Note Trustee shall not be responsible to any person for failing to request, require or receive any legal opinion relating to the Notes or for checking or commenting upon the content of any such legal opinion.
- (u) The Note Trustee may appoint and pay any person to act as a custodian or nominee on any terms in relation to such assets of the trusts constituted by these presents as the Note Trustee may determine, including for the purpose of depositing with a custodian these presents or any document relating to the trusts constituted by these presents. If the Note Trustee has exercised reasonable care in the selection of such custodian or nominee, the Note Trustee shall not be responsible for any Liability incurred by reason of the misconduct, omission or default on the part of any such person appointed by it hereunder or be bound to supervise the proceedings or acts of such person. The Note Trustee is not obliged to appoint a custodian if the Note Trustee invests in securities payable to bearer.
- (v) Subject to the requirements, if any, of any relevant stock exchange, any corporation into which the Note Trustee shall be merged or with which it shall be consolidated or any company resulting from any such merger or consolidation shall be a party hereto and shall be the Note Trustee under these presents without executing or filing any paper or document or any further act being required on the part of the parties thereto.
- (w) The Note Trustee shall not be bound to take any action in connection with these presents or any obligations arising pursuant thereto, including, without prejudice to the generality of the foregoing, forming any opinion or employing any financial adviser, where it is not satisfied that the Issuer will be able to indemnify it against

all Liabilities which may be incurred in connection with such action and may demand prior to taking any such action that there be paid to it in advance such sums as it considers (without prejudice to any further demand) shall be sufficient so to indemnify it and on such demand being made the Issuer (including following an Event of Default and the service of an Enforcement Notice on the Issuer) shall be obliged to make payment of all such sums in full.

- (x) No provision of these presents shall require the Note Trustee to do anything which may cause it to expend or risk its own funds or otherwise incur any Liability in the performance of any of its duties or in the exercise of any of its rights, powers or discretions, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or Liability is not assured to it.
- (y) Notwithstanding anything else contained in these presents or the other Transaction Documents, the Note Trustee may refrain from doing anything which would or might in its opinion be contrary to any law of any jurisdiction or any directive or regulation of any agency of any state or which would or might otherwise render it liable to any person and may do anything which is, in its opinion, necessary to comply with any such law, directive or regulation.
- (z) Notwithstanding anything in these presents or any other Transaction Document to the contrary, the Note Trustee shall not do, or be authorised or required to do, anything which might constitute a regulated activity for the purpose of FSMA, unless it is authorised under FSMA to do so.
- (aa) The Note Trustee shall have the discretion at any time:
 - (i) to delegate any of the functions which fall to be performed by an authorised person under FSMA to any other agent or person which also has the necessary authorisations and licences; and
 - (ii) to apply for authorisation under FSMA and perform any or all such functions itself if, in its absolute discretion, it considers necessary, desirable or appropriate to do so.
- (bb) Nothing in these presents shall require the Note Trustee to assume an obligation of the Issuer arising under any provisions of the listing, prospectus, disclosure or transparency rules (or equivalent rules of any other competent authority besides the CSSF).
- (cc) The Note Trustee shall be under no obligation to monitor or supervise the functions of any other person under the Notes or any other agreement or document relating to the transactions herein or therein contemplated and shall be entitled, in the absence of actual knowledge of a breach of obligation, to assume that each such person is properly performing and complying with its obligations.
- (dd) The Note Trustee shall not be liable for any error of judgment made in good faith by any officer or employee of the Note Trustee assigned by the Note Trustee to administer its corporate trust matters.
- (ee) Any liability of the Note Trustee arising under the Transaction Documents shall be limited to the amount of actual loss suffered (such loss shall be determined as at the date of default of the Note Trustee or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or

circumstances known to the Note Trustee at the time of entering into the Transaction Documents, or at the time of accepting any relevant instructions, which increase the amount of the loss. In no event shall the Note Trustee be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive or consequential damages, whether or not the Note Trustee has been advised of the possibility of such loss or damages and regardless of whether the claim for damages is made in negligence, for breach of contract or otherwise. This Clause shall not apply in the event that a court with jurisdiction determines that the Note Trustee has acted fraudulently or to the extent the limitation of such liability would be precluded by virtue of Sections 750 and 751 of the Companies Act 2006.

- (ff) The Note Trustee shall be entitled to take into account, for the purpose of exercising or performing any right, power, trust, authority, duty or discretion under or in relation to these presents or any other Transaction Document (including any consent, approval, modification, waiver, authorisation or determination referred to in Clause 22 (*Waiver, Authorisation and Determination*), Clause 23 (*Modification*) and Clause 24 (*Consent*)), among other things, to the extent that it considers, in its sole and absolute discretion, it is necessary and/or appropriate and/or relevant, any confirmation provided by the Rating Agencies (whether or not such confirmation is addressed to, or provides that it may be relied upon by, the Note Trustee and irrespective of the method by which such confirmation is conveyed) that the then current rating by it of the Notes would not be downgraded, withdrawn or qualified by such exercise or performance.
- (gg) Where a provision of these presents or the Transaction Documents expressly provides for a confirmation by Rating Agencies to be delivered to the Note Trustee but the Rating Agencies are not willing to issue such a confirmation due to their then prevailing policy regarding the issue of rating confirmations, the Note Trustee shall be entitled to rely on a certificate in writing from (or on behalf of) the Issuer that, in its opinion (and where the Rating Agencies were prepared to consult with the Issuer (or a party on behalf of the Issuer) that this opinion is based on consultation with the Rating Agencies), such exercise or performance would not cause a downgrade to the then current credit ratings of the Notes by the Rating Agencies, and the Note Trustee shall have no responsibility or liability whatsoever for relying on such certificate, notwithstanding that the Rating Agencies may subsequently downgrade, qualify or withdraw the then current rating of the Notes.
- (hh) Unless notified to the contrary, the Note Trustee shall be entitled to assume without enquiry (other than requesting a certificate pursuant to paragraph (c) of Clause 16 (*Covenants by the Issuer*)) that no Notes are held by, for the benefit of, or on behalf of, a Relevant Person.
- (ii) The Note Trustee shall have no responsibility whatsoever to the Issuer, any Noteholder or any other person for the maintenance of or failure to maintain any rating of any of the Notes by any Rating Agency.
- (jj) The Note Trustee shall not be responsible for, or for investigating any matter which is the subject of, any recital, statement, representation, warranty or covenant of any person contained in these presents, or any other agreement or document relating to the transactions contemplated in these presents or under such other agreement or document.

- (kk) Subject to Clause 19 (*Note Trustee's Liability*), the Note Trustee shall not be liable or responsible for any Liabilities or inconvenience which may result from anything done or omitted to be done by it in accordance with the provisions of these presents.
- (ll) The Note Trustee will not be responsible for any Liability, which may be suffered as a result of any Loans or Related Security, or any deeds or documents of title thereto, being uninsured or inadequately insured or being held by clearing organisations or their operators or by intermediaries such as banks, brokers or other similar persons on behalf of the Note Trustee. The Note Trustee will not be responsible for (i) supervising the performance by the Issuer or any other party to the Transaction Documents of their respective obligations under the Transaction Documents and the Note Trustee will be entitled to assume, until it has received written notice to the contrary, that all such persons are properly performing their duties; (ii) considering the basis on which approvals or consents are granted by the Issuer or any other party to the Transaction Documents under the Transaction Documents; or (iii) monitoring the Portfolio. The Note Trustee will not be liable to any Noteholder or other Secured Creditor for any failure to make or to cause to be made on their behalf the searches, investigations and enquiries which would normally be made by a prudent chargee in relation to the Security and have no responsibility in relation to the legality, validity, sufficiency, adequacy, registration, perfection and enforceability (which the Note Trustee has not investigated) of the Security and the Transaction Documents.
- (mm) Where under these presents, the Note Trustee is required to consider whether any event or the exercise by it of any of its powers, authorities or discretions is or will be materially prejudicial to the interests of the Noteholders of one or more Class, the Note Trustee shall be entitled to call for and rely and act upon the advice or opinion of any reputable financial or other adviser (whether or not such financial adviser shall be a Secured Creditor or otherwise party to any Transaction Document) and if relied upon by the Note Trustee shall be binding on the Noteholders, and the Note Trustee shall not incur any Liability by reason of so acting or relying.
- (nn) The Note Trustee may call for any certificate or other document to be issued by Euroclear or Clearstream, Luxembourg as to the Principal Amount Outstanding of Notes standing to the account of any person. Any such certificate or other document shall, in the absence of manifest error, be conclusive and binding for all purposes. Any such certificate or other document may comprise any form of statement or print out of electronic records provided by the relevant clearing system (including Euroclear's EUCLID or Clearstream, Luxembourg's CreationOnline system or any successor system) in accordance with its usual procedures and in which the holder of a particular Principal Amount Outstanding of Notes, is clearly identified together with the amount of such holding. The Note Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by Euroclear or Clearstream, Luxembourg and subsequently found to be forged or not authentic.
- (oo) In connection with any such substitution of principal debtor referred to in Condition 8.5 (*Mandatory Redemption of the Notes for Taxation or Other Reasons*), the Note Trustee may also agree, without the consent of the Noteholders or the other Secured Creditors (other than the Swap Provider), to a change of the laws governing the Notes, and/or any of the Transaction Documents, provided that such

change would not, in the opinion of the Note Trustee be materially prejudicial to the interests of the Noteholders or the other Secured Creditors.

- (pp) In determining whether a proposed action will not be materially prejudicial to the interests of the Noteholders (or any Class thereof), the Note Trustee may, among other things, have regard to whether the Rating Agencies have confirmed in writing to the Issuer or any other party to the Transaction Documents that any proposed action will not result in the withdrawal or reduction of, or entail any other adverse action with respect to, the then current rating of the Notes. It is agreed and acknowledged by the Note Trustee that, notwithstanding the foregoing, a credit rating is an assessment of credit and does not address other matters that may be of relevance to the Noteholders. In being entitled to take into account that each of the Rating Agencies have confirmed that the then current rating of the Notes would not be adversely affected, it is agreed and acknowledged by the Note Trustee this does not impose or extend any actual or contingent liability for each of the Rating Agencies to the Note Trustee, the Noteholders or any other person or create any legal relations between each of the Rating Agencies and the Note Trustee, the Noteholders or any other person whether by way of contract or otherwise.
- (qq) In relation to the undertaking given by the Retention Holder to the Issuer in Clause 11 (*EU and UK Risk Retention Undertaking, Reporting Entity*) of the Mortgage Sale Agreement, the Note Trustee will not be under any obligation to monitor the compliance by the Retention Holder with such covenant and will not be under any obligation to take any action in relation to non-compliance with such covenant (unless otherwise directed by the Noteholders or the relevant Class thereof in accordance with the Conditions, these presents or any other Transaction Document).
- (rr) The Note Trustee may determine or cause to determine the rates of interest and Interest Amount in accordance with Condition 6.6 (*Determination by the Note Trustee*).
- (ss) So long as any Note is held by or on behalf of Euroclear or Clearstream, Luxembourg, in considering the interests of Noteholders, the Note Trustee may consider the interests (either individual or by category) of its accountholders or participants with entitlements to any such Note as if such accountholders or participants were the holder(s) thereof.
- (tt) Any reference in any Transaction Document to the Note Trustee taking any action (including instructing the Security Trustee), granting any consent or waiver, refraining from acting or any other analogous term is a reference to the Note Trustee acting on the instructions of the Noteholders in accordance with this Deed.
- (uu) Notwithstanding anything contained in this Deed, to the extent required by any applicable law, if the Note Trustee:
 - (i) is or will be required to make any deduction or withholding from any distribution or payment made by it hereunder; or
 - (ii) is or will be otherwise charged to, or is or will become liable to, tax as a consequence of performing its duties hereunder or under the other Transaction Documents whether as principal, agent or otherwise, and whether by reason of any assessment, prospective assessment or other imposition of liability to taxation of whatsoever nature and whensoever

made upon the Note Trustee, and whether in connection with or arising from any sums received or distributed by it or to which it may be entitled under this Deed (other than in connection with its remuneration as provided for herein or in any other document) or any action of the Note Trustee in connection with the trusts of this Deed (other than the remuneration specified herein or in any other document) or otherwise,

then the Note Trustee shall be entitled to make such deduction or withholding or, as the case may be, to retain out of sums received by it an amount sufficient to discharge any liability to tax which relates to sums so received or distributed or to discharge any such other liability of the Note Trustee to tax from the funds held by the Note Trustee upon the trusts of this Deed.

- (vv) It is a term of the trust created in this Deed, that, except where expressly provided otherwise in the Transaction Documents, the Note Trustee receives any information provided to it under the terms of the Transaction Documents for information purposes only and the Note Trustee will not and is not expected routinely to review or monitor such information.
- (ww) In no event shall the Note Trustee be liable for any Liabilities arising to any party solely as a result of the Note Trustee receiving or transmitting any data from or to any party via a non-secure method of transmission or communication, such as, facsimile or email.
- (xx) The Note Trustee will not be responsible to any person for failing to request, require or receive any report prepared by the Servicer or the Cash Manager or for failing to check or comment on the accuracy of such reports and has no responsibility for the contents of any reports prepared by the Servicer or the Cash Manager.

19. **NOTE TRUSTEE'S LIABILITY**

The Note Trustee shall not be liable to any person for any matter or thing done or omitted in any way in connection with or in relation to this Deed, the Notes or the other Transaction Documents (including directing the Security Trustee) save in relation to its own gross negligence, wilful default or fraud.

20. **NOTE TRUSTEE CONTRACTING WITH THE ISSUER AND OTHERS**

20.1 Neither the Note Trustee nor any director or officer or Holding Company, Subsidiary or other affiliates of a corporation acting as a Note Trustee under these presents shall by reason of its or his fiduciary position be in any way precluded from:

- 20.2 Where any Holding Company, Subsidiary or associated company of the Note Trustee or any director or officer of the Note Trustee acting other than in his capacity as such a director or officer has any information, the Note Trustee shall not thereby be deemed also to have knowledge of such information and, unless it shall have actual knowledge of such information, shall not be responsible for any loss suffered by Noteholders resulting from the Note Trustee's failing to take such information into account in acting or refraining from acting under or in relation to these presents.

23. MODIFICATION

23.1 Modification to Transaction Documents

- (a) Subject to this Clause 23.1 (*Modification to Transaction Documents*), any amendment, modification or variation to this Deed may only be made with the prior written consent of each party to this Deed.
- (b) The Note Trustee may at any time and from time to time, with the written consent of the Secured Creditors which are a party to the relevant Transaction Document (such consent to be conclusively demonstrated by such Secured Creditor entering into any deed or document purporting to modify such Transaction Document) but without the consent or sanction of the Noteholders agree (or direct the Security Trustee to agree) with the Issuer and any other parties in making or sanctioning any modification:
 - (i) other than in respect of a Basic Terms Modification, to the Conditions and/or the Transaction Documents, which in the opinion of the Note Trustee (acting in accordance with this Deed) will not be materially prejudicial to the interests of the Noteholders or the interests of the Note Trustee or the Security Trustee (subject to Clause 18(o)(ii) (*Supplement to Trustee Acts*) above) and, for the avoidance of doubt, any modification of the Originator Declaration of Trust which does not affect the manner in which the Issuer Portion (as defined in the Originator Declaration of Trust) is calculated will not be materially prejudicial to the interests of the Noteholders or the interests of the Note Trustee or the Security Trustee; or
 - (ii) to the Conditions and/or to any of the Transaction Document if in the opinion of the Note Trustee (acting in accordance with this Deed) (or if there are no Notes then outstanding, all the Secured Creditors), such modification is of a formal, minor or technical nature or to correct a manifest error,

provided that in respect of any modifications to any of the Transaction Documents which, in the opinion of the Swap Provider, (a) would have the effect that immediately thereafter, the Swap Provider would be required to pay more to or receive less from a third party transferee if it were to transfer the Swap Transaction to such third party transferee (subject to and in accordance with Section 7 (*Transfer*) of the Swap Agreement) than would otherwise be the case if such amendment were not made; (b) would have the effect, directly or indirectly, of altering (i) the amount, timing, calculation or priority of any payments due to or from the Issuer from or to the Swap Provider (including pursuant to any gross-up or indemnity under the Swap Agreement) or the amount of collateral or other credit support required to be posted or returned under the Swap Agreement or other actions to be taken by the Swap Provider linked to the rating of the Notes; (ii) the Swap Provider's rights in relation

23.3 Notification of modifications, waivers, authorisations or determinations

- (a) Any such modification, waiver, authorisation or determination shall be binding on the Noteholders and, unless the Note Trustee otherwise agrees, any such modification shall be notified by the Issuer to the Noteholders in accordance with the Conditions, the Rating Agencies (while any Notes remain outstanding) and the Secured Creditors as soon as practicable thereafter.
- (b) For the avoidance of doubt, neither the Note Trustee nor the Security Trustee shall be obliged to agree to any modification if it would have the effect of exposing the Note Trustee and/or the Security Trustee to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or increasing the obligations or duties, or decreasing the protections of the Note Trustee and/or the Security Trustee in the Transaction Documents and/or the Conditions of the Notes.

24. CONSENT

Any consent or approval given by the Note Trustee for the purposes of these presents or any other Transaction Document may be given on such terms and subject to such conditions (if any) as the Note Trustee thinks fit and notwithstanding anything to the contrary in these presents or any other Transaction Document may be given retrospectively. Any breach of or failure, on the part of the Issuer, to comply with any such terms and conditions as are referred to in Clauses 22 (*Waiver, Authorisation and Determination*), 23 (*Modification*) and/or 24 (*Consent*) shall constitute a default by the Issuer in the performance or observance of a covenant or provision binding on it under or pursuant to these presents.

26. **ENTITLEMENT TO TREAT NOTEHOLDER AS ABSOLUTE OWNER**

The Issuer, the Note Trustee, the Paying Agents and/or the Registrar may (to the fullest extent permitted by applicable laws) deem and treat the holder of any Note or a particular Principal Amount Outstanding of the Notes as the absolute owner of such Note or, as the case may be, such Principal Amount Outstanding of the Notes for all purposes (whether or not such Note or, as the case may be, such Principal Amount Outstanding of the Notes shall be overdue and notwithstanding any notice of ownership thereof or of trust or other interest with regard thereto, any notice of loss or theft thereof or any writing thereon) and the Issuer, the Note Trustee, the Paying Agents and/or the Registrar shall not be affected by any notice to the contrary. All payments made to, or to the order of, the Common Safekeeper with which each Global Note is deposited shall be valid and, to the extent of the sums so paid, effective to satisfy and discharge the liability for the monies payable in respect of each such Global Note and the Notes represented thereby.

27. **SUBSTITUTION**

27.1 Any substitution of the Issuer as principal debtor under these presents pursuant to Condition 8.5 (*Mandatory Redemption of the Notes for Taxation or Other Reasons*) or Condition 13.9 (*Issuer Substitution Condition*), shall be effected in accordance with the following terms and conditions and the Note Trustee may, without the consent of any Noteholder agree with the Issuer in such substitution:

- (a) a trust deed is executed or some other form of undertaking is given by the company to be substituted as principal debtor under these presents in place of the Issuer (the "**New Company**") in form and manner satisfactory to the Note Trustee and Security Trustee, agreeing to be bound by the provisions of these presents with any consequential amendments which the Note Trustee may deem appropriate as fully as if the New Company had been named in these presents as the principal debtor in place of the Issuer;
- (b) except where all of the assets and undertaking of the Issuer are transferred to the New Company, the Issuer unconditionally and irrevocably guarantees all amounts payable under these presents to the satisfaction of the Note Trustee and Security Trustee and such guarantee is secured over all of the assets and undertaking of the Issuer to the satisfaction of the Note Trustee;

- (d) the New Company is a single purpose company similar to, and with like constitution as, and having substantially the same restrictions and prohibitions on its activities and operations as the Issuer, and undertakes to be bound by provisions corresponding to those set out in the Conditions;
- (e) the Note Trustee and Security Trustee is provided with legal opinions from a law firm acceptable to the Note Trustee in respect of such substitution in form and substance satisfactory to it;
- (f) each of the Rating Agencies confirms in writing to the Note Trustee and Security Trustee that its then current rating of the Notes will not be downgraded or withdrawn as a result of such substitution;
- (g) the Issuer and the New Company shall comply with such other requirements as the Note Trustee and/or Security Trustee may direct in the interests of the Noteholders;
- (h) (where applicable) Condition 8.5 (*Mandatory Redemption of the Notes for Taxation or Other Reasons*) shall be modified accordingly;
- (i) without prejudice to the rights of reliance of the Note Trustee and Security Trustee under paragraph (j) of this Clause 27.1, the Note Trustee and/or Security Trustee is satisfied that the relevant transaction is not materially prejudicial to the interests of the Noteholders; and
- (j) if two directors of the New Company (or other officers acceptable to the Note Trustee and/or Security Trustee) shall certify that the New Company is solvent both at the time at which the relevant transaction is proposed to be effected and immediately thereafter (which certificate the Note Trustee may rely upon absolutely) the Note Trustee and/or Security Trustee shall not be under any duty to have regard to the financial condition, profits or prospects of the New Company or to compare the same with those of the Issuer.

27.2 Any trust deed or undertaking referred to in Clause 27.1(a) above shall, if so expressed, operate to release the Issuer from all of its obligations as principal debtor under these presents. Not later than 14 days after the execution of such documents and compliance with such requirements, the New Company shall give notice thereof in a form previously approved by the Note Trustee and Security Trustee to the Noteholders in the manner provided in the Conditions. Upon the execution of such documents and compliance with such requirements, the New Company shall be deemed to be named in these presents as the principal debtor in place of the Issuer under these presents and these presents shall be deemed to be modified in such manner as shall be necessary to give effect to the above provisions and references in these presents to the Issuer shall, unless the context otherwise requires, be deemed to be or include references to the New Company.

- 27.3 The Note Trustee and Security Trustee shall be entitled to refuse to approve any New Company if, pursuant to the law of the country of incorporation of the New Company, the assumption by the New Company of its obligations hereunder imposes responsibilities and Liabilities on the Note Trustee over and above those which have been assumed under the Transaction Documents.
- 27.4 In connection with any proposed substitution, the Note Trustee and Security Trustee shall not have regard to, or be in any way liable for, the consequences of such substitution for individual Noteholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory.
- 27.5 No Noteholder shall, in connection with any such substitution, be entitled to claim from the Issuer any indemnification or payment in respect of any tax consequence for any such individual Noteholders.

28. NEW TRUSTEE

The power to appoint a new trustee of these presents shall, subject as hereinafter provided, be vested in the Issuer but no person shall be appointed who shall not previously have been approved by an Extraordinary Resolution of the holders of the Most Senior Class. One or more persons may hold office as trustee or trustees of these presents but such trustee or trustees shall be or include a Trust Corporation. Whenever there shall be more than two trustees of these presents the majority of such trustees shall be competent to execute and exercise all the duties, powers, trusts, authorities and discretions vested in the Note Trustee by these presents provided that a Trust Corporation shall be included in such majority. Any appointment of a new trustee of these presents shall as soon as practicable thereafter be notified by the Issuer to the Principal Paying Agent, the Registrar, the Noteholders and to the Rating Agencies in accordance with the Conditions.

29. SEPARATE AND CO-TRUSTEES

The Note Trustee may, upon giving prior notice to the Issuer (but without the consent of the Issuer or the Noteholders), appoint any person established or resident in any jurisdiction (whether a Trust Corporation or not) to act either as a separate trustee or as a co-trustee jointly with the Note Trustee:

- (a) if the Note Trustee considers such appointment to be in the interests of the Noteholders;
- (b) for the purposes of complying with any legal requirements, restrictions or conditions in any jurisdiction in which any particular act or acts is or are to be performed;
- (c) for the purposes of obtaining a judgment in any jurisdiction or the enforcement in any jurisdiction of either a judgment already obtained or any of the provisions of these presents or any other Transaction Document against the Issuer or any other person; or
- (d) the Note Trustee in its absolute discretion determines that such appointment is necessary or desirable to avoid any potential conflicts of interests.

The Issuer irrevocably appoints the Note Trustee to be its attorney in its name and on its behalf to execute any such instrument of appointment. Such a person shall (subject always to the provisions of these presents and the other Transaction Documents) have such rights, powers, trusts, authorities and discretions (not exceeding those conferred on the Note Trustee by these presents and the other Transaction Documents) and such duties and

obligations as shall be conferred or imposed by the instrument of appointment. The Note Trustee shall have power in like manner to remove any such person. Such remuneration as the Note Trustee may pay to any such person, together with any attributable Liabilities incurred by it in performing its function as such separate trustee or co-trustee, shall for the purposes of these presents be treated as Liabilities incurred by the Note Trustee.

30. NOTE TRUSTEE'S RETIREMENT AND REMOVAL

The Note Trustee or any other trustee of these presents may retire at any time on giving not less than 40 days' prior written notice to the Issuer without giving any reason and without being responsible for any Liabilities incurred by reason of such retirement. The holders of the Most Senior Class may, by Extraordinary Resolution, remove all trustees (but not some only) for the time being of these presents and the Deeds of Charge. The Issuer undertakes that, in the event of the only trustee of these presents which is a Trust Corporation (disregarding for this purpose any separate or co-trustee appointed under Clause 29 (*Separate and Co-Trustees*)) giving notice under this Clause 30 or being removed by Extraordinary Resolution of the holders of the Most Senior Class, it will use its best endeavours to procure that a new trustee of these presents being a Trust Corporation is appointed as soon as reasonably practicable thereafter. The retirement or removal of any such trustee shall not become effective unless there remains a trustee which is a Trust Corporation, until a successor trustee being a Trust Corporation is appointed. If, in such circumstances, no appointment of such a new trustee has become effective on the expiry of such notice or within 40 days of such notice of resignation or Extraordinary Resolution of the holders of the Most Senior Class, the Note Trustee shall be entitled to appoint a Trust Corporation as trustee of these presents, but no such appointment shall take effect unless previously approved by Extraordinary Resolution of the holders of the Most Senior Class as aforesaid provided that there are Notes outstanding.

31. NOTE TRUSTEE'S POWERS TO BE ADDITIONAL

The powers conferred upon the Note Trustee by these presents shall be in addition to any powers which may from time to time be vested in the Note Trustee by the general law or as a holder of any of the Notes.

32. LANGUAGE

32.1 Any notice given in connection with this Deed must be in English.

32.2 Any other document provided in connection with this Deed must be:

- (a) in English; or
- (b) accompanied by a certified English translation. In this case, the English translation prevails unless the document is a statutory or other official document.

33. NON-RESPONSIVE RATING AGENCY

33.1 In respect of the exercise of any power, duty, trust, authority or discretion as contemplated hereunder or in relation to the Notes and any of the Transaction Documents, the Note Trustee and the Security Trustee shall be entitled but not obliged to take into account any Rating Agency Confirmation.

33.2 If a Rating Agency Confirmation or other response by a Rating Agency is a condition to any action or step under any Transaction Document and a written request for such Rating

Agency Confirmation or response is delivered to each Rating Agency by or on behalf of the Issuer (copied to the Note Trustee and the Security Trustee, as applicable) and:

- (a) (A) a Non-Responsive Rating Agency indicates that it does not consider such Rating Agency Confirmation or response necessary in the circumstances or that it does not, as a matter of practice or policy provide such Rating Agency Confirmation or response or (B) within 30 days of delivery of such request, no Rating Agency Confirmation or response is received and/or such request elicits no statement by such Rating Agency that such Rating Agency Confirmation or response could not be given; and
- (b) one Rating Agency gives such Rating Agency Confirmation or response based on the same facts,

then such condition to receive a Rating Agency Confirmation or response from each Rating Agency shall be modified so that there shall be no requirement for the Rating Agency Confirmation or response from the Non-Responsive Rating Agency if the Issuer provides to the Note Trustee and the Security Trustee a certificate signed by two directors certifying and confirming that each of the events in paragraphs (a) (A) or (B) and (b) above has occurred.

33.3 If no such Rating Agency Confirmation is forthcoming within 30 days of such a request and two directors of the Issuer have certified the same in writing to the Security Trustee (an "**Issuer Certificate**"), the Security Trustee shall be entitled (but not obliged) to assume from a written certificate of the Cash Manager to the Note Trustee and Security Trustee (a "**Cash Manager Certificate**") that such proposed action:

- (a) (while any of the Notes remain outstanding) has been notified to the Rating Agencies;
- (b) would not adversely impact on the Issuer's ability to make payment when due in respect of the Notes;
- (c) would not affect the legality, validity and enforceability of any of the Transaction Documents or any Security; and
- (d) (while any of the Notes remain outstanding) would not cause then current rating of the Notes to be reduced, qualified, adversely affected or withdrawn,

upon which confirmation from the Rating Agencies, Issuer Certificate and/or Cash Manager Certificate, the Note Trustee and the Security Trustee shall be entitled to rely absolutely without liability to any person for so doing. In being entitled to take into account any such confirmation from the Rating Agencies, it is agreed and acknowledged by the Note Trustee and the Security Trustee that this does not impose or extend any actual or contingent liability for each of the Rating Agencies to the Security Trustee, the Note Trustee, the Noteholders or any other person or create any legal relations between each of the Rating Agencies and the Security Trustee, the Note Trustee, the Noteholders or any other person whether by way of contract or otherwise.

6. Interest

6.1 Accrual of interest

Interest Accrual

Each Note other than the Class Y Note, the Class R1 Note and the Class R2 Note bears interest on its Principal Amount Outstanding from (and including) the Closing Date. Each Note other than the Class Y Note, the Class R1 Note and the Class R2 Note (or, in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest from and including the due date for redemption unless, upon due presentation in accordance with Condition 7 (*Payments*), payment of the principal in respect of the Note is improperly withheld or refused or default is otherwise made in respect of the payment, in which event interest shall continue to accrue as provided in the Trust Deed.

Accrual of Class Y Payments, Class R1 Payments and Class R2 Payments

Class Y Payments will cease to be payable in relation to the Class Y Notes from and including the date of redemption in full of the Class Y Notes. Class R1 Payments will cease to be payable on the Interest Payment Date prior to (but excluding) the Step-Up Date. Class R2 Payments will cease to be payable in relation to the Class R2 Notes from and including the date of redemption in full of the Class R2 Notes.

6.2 Interest Payment Dates

Interest will be payable in arrear on each Interest Payment Date, for all classes of Notes other than the Class Y Notes, the Class R1 Notes and the Class R2 Notes. The Class Y Payment, the Class R1 Payment and the Class R2 Payment will be payable in arrear on each Interest Payment Date.

"Interest Payment Date" means the 24th of each of December, March, June and September in each year or, if such day is not a Business Day, the immediately following Business Day unless it would as a result fall into the next calendar month, in which case it will be brought forward to the immediately preceding Business Day, with the first Interest Payment Date falling in December 2023.

Interest shall accrue from (and including) an Interest Payment Date (except in the case of the first Interest Period, which shall commence on (and include) the Closing Date) to (but excluding) the next following Interest Payment Date (each such period, an **"Interest Period"**).

- (i) the Agent Bank will determine the Relevant Screen Rate as at or about 11.00 a.m. (Brussels time) on the Interest Determination Date (as defined below) in question. If the Relevant Screen Rate is unavailable, the Agent Bank will request the principal Brussels office of each of the Reference Banks to provide the Agent Bank with its offered quotation to leading banks for three month Euro deposits (or, in respect of the first Interest Period for the Notes, the linear interpolation of EURIBOR for three and six month deposits in Euros) in a Representative Amount in the Eurozone interbank market as at or about 11.00 a.m. (Brussels time) on the relevant Interest Determination Date. The Rates of Interest for the relevant Interest Period shall be the aggregate of (I) (A) from and including the Closing Date to (but excluding) the Step-Up Date, the Relevant Margin or (B) from (and including) the Step-Up Date, the Relevant Step-Up Margin, and (II) the Relevant Screen Rate (or, if the Relevant Screen Rate is unavailable, the arithmetic mean of such offered quotations for three months or in respect of the first Interest Period only, the linear interpolation of three and six monthly Euro deposits (rounded upwards, if necessary, to five decimal places));
 - (ii) if, on any Interest Determination Date, the Relevant Screen Rate is unavailable and only two or three of the Reference Banks provide offered quotations, the Rates of Interest for the relevant Interest Period shall be determined in accordance with the provisions of sub-paragraph (i) above on the basis of the offered quotations of those Reference Banks providing such quotations. If, on any such Interest Determination Date, only one or none of the Reference Banks provides the Agent Bank with such an offered quotation, the Agent Bank shall forthwith consult with the Issuer for the purposes of agreeing two banks (or, where one only of the Reference Banks provided such a quotation, one additional bank) to provide such a quotation or quotations to the Agent Bank and the Rates of Interest for the Interest Period in question shall be determined, as aforesaid, on the basis of the offered quotations of such banks as so agreed (or, as the case may be, the offered quotations of such bank as so agreed and the relevant Reference Bank). If no such bank or banks is or are so agreed or such bank or banks as so agreed does or do not provide such a quotation or quotations, then the Rates of Interest for the relevant Interest Period shall be the Rates of Interest in effect for the last preceding Interest Period to which sub-paragraph (i) shall have applied but taking account any change in the Relevant Margin and/or any change in the applicability of the Relevant Step-Up Margin; and
 - (iii) the Class Z Notes will bear interest at a fixed rate of 0.0% per annum,

PROVIDED THAT, if there has been a public announcement of the permanent or indefinite discontinuation of the relevant screen rate or the relevant base rate that applies to the Notes at that time (the date of such public announcement being the "**Relevant Time**"), the Issuer (or the Servicing Advisor on its behalf) shall, without undue delay, use commercially reasonable endeavours to propose an Alternative Base Rate in accordance with Condition 13.7 (*Base Rate Modification and Swap Rate Modification*)) (the "**Relevant Condition**").

For the avoidance of doubt, if an Alternative Base Rate proposed by or on behalf of the Issuer has failed to be implemented in accordance with the Relevant Condition as a result of Noteholder objections to the modification, the Issuer shall not be obliged to propose an Alternative Base Rate under this Condition 6.3; and in the event that the Rate of Interest is less than zero per cent., the Rate of Interest shall be deemed to be zero per cent.

- (a) by reason of a change in tax law (or the application or official interpretation thereof), which change becomes effective on or after the Closing Date, on or before the next Interest Payment Date the Issuer or the Paying Agents would be required to deduct or withhold from any payment of principal or interest on any Offered Notes (other than because the relevant holder has some connection with Ireland other than the holding of such Offered Notes) any amount for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of Ireland or any political sub-division thereof or any authority thereof or therein having power to tax;
- (b) by reason of a change in law (or the application or official interpretation thereof), which change becomes effective on or after the Closing Date, it has become or will become unlawful for the Issuer to make, fund or allow to remain outstanding all or any of the Offered Notes; or

- (d) such substitution would not require registration of any new security under U.S. securities laws or materially increase the disclosure requirements under U.S. law.

A "**Redemption Event**" shall occur if the Issuer satisfies the Note Trustee immediately before giving the notice referred to below that one or more of the events described in subparagraph (a), (b) or (c) above is continuing and that the appointment of the Paying Agents or a substitution as referred to above would not avoid the effect of the relevant event or that, having used its reasonable endeavours, the Issuer is unable to arrange such appointment or substitution.

On any Interest Payment Date on which the Loans and their Related Security comprising the Portfolio are sold pursuant to the Deed Poll following the occurrence of a Redemption Event, the Optional Purchase Price received by the Issuer will be applied in accordance with Condition 8.2 (*Mandatory Redemption prior to the service of an Enforcement Notice*).  - (1) the Swap Provider provides its prior written consent to such Swap Rate Modification; and
 - (2) the Issuer (or the Servicing Advisor on behalf of the Issuer) and the Rate Determination Agent deliver a Swap Rate Modification Certificate to the Note Trustee and the Security Trustee (copied to the Agents),

in each case, upon which the Note Trustee, the Security Trustee and Agents shall rely absolutely without further investigation.

Conditions to Base Rate Modification and Swap Rate Modification

- (d) It is a condition of any such Base Rate Modification or Swap Rate Modification (as the case may be) that:
 - (i) either:
 - (1) the Issuer (or the Servicing Advisor on its behalf) has obtained from each of the Rating Agencies written confirmation (or certifies in the Base Rate Modification Certificate or Swap Rate Modification Certificate (as the case may be) that it has been unable to obtain written confirmation, but has received oral confirmation from an appropriately authorised person at each of the Rating Agencies) that the proposed Base Rate Modification or Swap Rate Modification (as the case may be) would not result in (x) a downgrade, withdrawal or suspension of the then current ratings assigned to any Class of the Rated Notes by such Rating Agency or (y) such Rating Agency placing any Rated Notes on rating watch negative (or equivalent) (and, if relevant, it has provided a copy of any written confirmation to the Note Trustee and the Security Trustee with the Base

- (ii) the Issuer or the Servicing Advisor (on behalf of the Issuer) has given at least 10 Business Days' prior written notice of the proposed Base Rate Modification or the Swap Rate Modification (as the case may be) to the Note Trustee, the Security Trustee and the Agents before publishing a Base Rate Modification Noteholder Notice;
- (iii) the Issuer has provided to the Noteholders of each Class of Notes a Base Rate Modification Noteholder Notice, at least 40 calendar days prior to the date on which it is proposed that the Base Rate Modification or the Swap Rate Modification (as may be applicable) would take effect (such date being no less than ten Business Days prior to the next Interest Determination Date), in accordance with Condition 16 (*Notice to Noteholders*);
- (iv) Noteholders representing at least 10 per cent. of the aggregate Principal Amount Outstanding of the Most Senior Class of Notes then outstanding have not directed the Issuer in writing (or otherwise directed the Note Trustee in writing or in accordance with the then current practice of any applicable clearing system through which such Notes may be held) within such notification period that such Noteholders do not consent to the Base Rate Modification or the Swap Rate Modification (as the case may be); and

is proposed for the Most Senior Class of Notes or another Class of Notes which ranks senior to the Class of Notes to which the lower Note Rate Maintenance Adjustment is proposed to be made, the Base Rate Modification will not be made unless an Extraordinary Resolution is passed in favour of such modification in accordance with Condition 13 (*Meetings of Noteholders, modification, waiver and substitution*) by the Noteholders of each Class of Notes then outstanding to which the lower Note Rate Maintenance Adjustment is proposed to be made. For the avoidance of doubt, the Note Rate Maintenance Adjustment may effect an increase or a decrease to the margin or may be set at zero.

Noteholder negative consent rights

- (g) If Noteholders representing at least 10 per cent. of the aggregate Principal Amount Outstanding of the Most Senior Class of Note then outstanding have notified the Issuer in writing (or otherwise directed the Note Trustee) in either case, in accordance with the then current practice of any applicable clearing system through which such Notes may be held within the notification period referred to above that they do not consent to the proposed Base Rate Modification or Swap Rate Modification (as the case may be), then the proposed Base Rate Modification or Swap Rate Modification (as the case may be) will not be made unless an Extraordinary Resolution is passed in favour of such proposed Base Rate Modification or Swap Rate Modification (as the case may be) in accordance with Condition 13 (*Meetings of Noteholders, modification, waiver and substitution*) by the Noteholders of the Most Senior Class of Notes then outstanding.

- (j) Other than where specifically provided in this Condition 13.7 or any Transaction Document:
 - (i) when concurring in making any modification pursuant to this Condition 13.7, the Note Trustee shall not consider the interests of the Noteholders, any other Secured Creditor or any other person and shall act and rely solely and without further investigation, on any Base Rate Modification Certificate or Swap Rate Modification Certificate (as the case may be) (and any evidence appended to such Base Rate Modification Certificate or Swap Rate Modification Certificate (as the case may be)) provided to it by the Rate Determination Agent or the Issuer (or the Servicing Advisor on behalf of the Issuer) pursuant to this Condition 13.7 and shall not be liable to the Noteholders, any other Secured Creditor or any other person for so acting or relying, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person;

- (m) Notwithstanding any provision of the Conditions, if in an Agent's sole opinion there is any uncertainty between two or more alternative courses of action in making any determination or calculation provided for by the terms of a Base Rate Modification or Swap Rate Modification (as the case may be), the relevant Agent shall promptly notify the Issuer thereof and the Issuer (or the Rate Determination Agent acting on its behalf) shall direct the relevant Agent in writing as to which alternative course of action to adopt. If the relevant Agent is not promptly provided with such direction, or is otherwise unable (other than due to its own gross negligence, wilful default or fraud) to make such calculation or determination for any reason, it shall notify the Issuer thereof and the relevant Agent shall be under no obligation to make such calculation or determination and (in the absence of such gross negligence, wilful default or fraud) shall not incur any liability for not doing so.

13.8 **Authorisation or Waiver of Breach**

The Note Trustee may, without the consent or sanction of the Noteholders or the other Secured Creditors and without prejudice to its rights in respect of any further or other breach, from time to time and at any time, authorise or waive (or direct the Security Trustee to authorise or waive) any proposed or actual breach of any of the covenants or provisions contained in the Conditions or any of the Transaction Documents by any party thereto, provided that the Note Trustee shall not exercise any powers conferred on it by this Condition 13.8 in contravention of any express direction given by Extraordinary Resolution of the holders of the Most Senior Class or by a direction under Condition 11 (*Events of Default*) but so that no such direction or request shall affect any waiver, authorisation or determination previously given or made. Any such waiver of any proposed or actual breach of a Transaction Document shall not be binding on the other parties to such Transaction Document unless they have agreed in writing to such waiver.

13.9 **Notification of modifications, waivers, authorisations or determinations**

Any such modification, waiver, authorisation or determination by the Note Trustee and/or the Security Trustee, as applicable, in accordance with these Conditions or the Transaction Documents shall be binding on the Noteholders and, unless the Note Trustee or, as the case may be, the Security Trustee agrees otherwise, any such modification shall be notified by the Issuer to the Noteholders in accordance with Condition 16 (*Notice to Noteholders*), the Rating Agencies (while any Notes remain outstanding) and the Secured Creditors as soon as practicable thereafter.

In connection with any such substitution of principal debtor referred to in Condition 8.5 (*Mandatory Redemption of the Notes for Taxation or Other Reasons*), the Note Trustee may also agree (and direct the Security Trustee to agree), without the consent of the

Noteholders or the other Secured Creditors but with the consent of the Swap Provider, to a change of the laws governing the Notes, these Conditions and/or any of the Transaction Documents, provided that such change would not, in the opinion of the Note Trustee (acting in accordance with the Trust Deed), be materially prejudicial to the interests of the Noteholders or the other Secured Creditors.

In determining whether a proposed action will not be materially prejudicial to the Noteholders or any Class thereof, the Note Trustee may, among other things, have regard to whether the Rating Agencies have confirmed in writing to the Issuer or any other party to the Transaction Documents that any proposed action will not result in the withdrawal or reduction of, or entail any other adverse action with respect to, the then current ratings of the Rated Notes. It is agreed and acknowledged by the Note Trustee and the Security Trustee that, notwithstanding the foregoing, a credit rating is an assessment of credit and does not address other matters that may be of relevance to the Noteholders. In being entitled to take into account that each of the Rating Agencies has confirmed that the then current ratings of the Rated Notes would not be adversely affected, it is agreed and acknowledged by the Note Trustee and the Security Trustee this does not impose or extend any actual or contingent liability for each of the Rating Agencies to the Security Trustee, the Note Trustee, the Noteholders or any other person, or create any legal relations between each of the Rating Agencies and the Security Trustee, the Note Trustee, the Noteholders or any other person, whether by way of contract or otherwise.

Where, in connection with the exercise or performance by each of them of any right, power, trust, authority, duty or discretion under or in relation to these Conditions or any of the Transaction Documents (including in relation to any modification, waiver, authorisation, determination, substitution or change of laws as referred to above), the Note Trustee or the Security Trustee is required to have regard to the interests of the Noteholders of any Class or Classes, it shall (A) have regard to the general interests of the Noteholders of such Class or Classes but shall not have regard to any interests arising from circumstances particular to individual Noteholders (whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise or performance for individual Noteholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof, and the Note Trustee or, as the case may be, the Security Trustee shall not be entitled to require, nor shall any Noteholder be entitled to claim, from the Issuer, the Note Trustee or the Security Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Noteholders and (B) subject to the more detailed provisions of the Trust Deed and the Deeds of Charge, as applicable, have regard to the interests of holders of each Class of Notes (except where expressly provided otherwise) but requiring the Note Trustee and the Security Trustee where there is a conflict of interests between one or more Classes of Notes in any such case to have regard (except as expressly provided otherwise) to the interests of the holders of the Class or Classes of Notes ranking in priority to the other relevant Classes of Notes.

Other than in respect of any matter requiring an Extraordinary Resolution, Noteholders are required to vote by way of an Ordinary Resolution.

"Ordinary Resolution" means, in respect of the holders of any of the Classes of Notes:

- (a) a resolution passed at a meeting of Noteholders duly convened and held in accordance with the Trust Deed and these Conditions by a clear majority of the Eligible Persons voting thereat on a show of hands or, if a poll is duly demanded, by a clear majority of the votes cast on such poll;

- (b) a resolution in writing signed by or on behalf of the Noteholders of not less than a clear majority in aggregate Principal Amount Outstanding of the relevant Class of Notes, which resolution may be contained in one document or in several documents in like form each signed by or on behalf of one or more of the Noteholders of the relevant Class; or
- (c) consent given by way of electronic consents through the relevant Clearing System(s) (in a form satisfactory to the Note Trustee) by or on behalf of the Noteholders of not less than a clear majority in aggregate Principal Amount Outstanding of the relevant Class of Notes.

"Extraordinary Resolution" means, in respect of the holders of any of the Classes of Notes:

- (a) a resolution passed at a meeting of Noteholders duly convened and held in accordance with the Trust Deed and these Conditions by a majority consisting of not less than three-quarters of Eligible Persons voting at such meeting upon a show of hands or, if a poll is duly demanded, by a majority consisting of not less than three-quarters of the votes cast on such poll;
- (b) a resolution in writing signed by or on behalf of the Noteholders of not less than three-quarters in aggregate Principal Amount Outstanding of the relevant Class of Notes, which resolution may be contained in one document or in several documents in like form each signed by or on behalf of one or more of the Noteholders of the relevant Class; or
- (c) consent given by way of electronic consents through the relevant Clearing System(s) (in a form satisfactory to the Note Trustee) by or on behalf of the Noteholders of not less than three-quarters in aggregate Principal Amount Outstanding of the relevant Class of Notes.

"Eligible Person" means any one of the following persons who shall be entitled to attend and vote at a meeting:

- (a) a bearer of any Voting Certificate; and
- (b) a proxy specified in any Block Voting Instruction.

"Voting Certificate" means an English language certificate issued by the Paying Agents in which it is stated:

- (a) that on the date thereof the Notes (not being the Notes in respect of which a Block Voting Instruction has been issued and is outstanding in respect of the meeting specified in such Voting Certificate) are blocked in an account with a Clearing System and that no such Notes will cease to be so blocked until the first to occur of:
 - (i) the conclusion of the meeting specified in such Voting Certificate; and
 - (ii) the surrender of the Voting Certificate to the Paying Agents who issued the same; and
- (b) that the bearer thereof is entitled to attend and vote at such meeting in respect of the Notes represented by such Voting Certificate.

"Block Voting Instruction" means an English language document issued by the Paying Agents in which:

- (a) it is certified that on the date thereof Notes in respect of which a Voting Certificate has been issued and is outstanding in respect of the meeting specified in such Block Voting Instruction are blocked in an account with a clearing system and that no such Notes will cease to be so blocked until the first to occur of:
 - (i) the conclusion of the meeting specified in such Block Voting Instruction; and
 - (ii) the Notes ceasing with the agreement of the Paying Agents to be so blocked and the giving of notice by the Paying Agents to the Issuer of the necessary amendment to the Block Voting Instruction;
- (b) it is certified that each holder of such Notes has instructed such Paying Agents that the vote(s) attributable to the Notes so blocked should be cast in a particular way in relation to the resolution(s) to be put to such meeting and that all such instructions are, during the period commencing 48 hours prior to the time for which such meeting is convened and ending at the conclusion or adjournment thereof, neither revocable nor capable of amendment;
- (c) the aggregate principal amount or aggregate total amount of the Notes so blocked is listed distinguishing with regard to each such resolution between those in respect of which instructions have been given that the votes attributable thereto should be cast in favour of the resolution and those in respect of which instructions have been so given that the votes attributable thereto should be cast against the resolution; and
- (d) one or more persons named in such Block Voting Instruction (each hereinafter called a "proxy") is or are authorised and instructed by such Paying Agents to cast the votes attributable to the Notes so listed in accordance with the instructions referred to in (c) above as set out in such Block Voting Instruction, provided that no such person shall be named as a proxy:
 - (i) whose appointment has been revoked and in relation to whom the relevant Paying Agents have been notified in writing of such revocation by the time which is 48 hours before the time fixed for such meeting; and
 - (ii) who was originally appointed to vote at a meeting which has been adjourned for want of a quorum and who has not been re-appointed to vote at the meeting when it is resumed.

Details of any Extraordinary Resolution and any Ordinary Resolution passed in accordance with the provisions of the Trust Deed shall be notified to each of the Rating Agencies by the Principal Paying Agent on behalf of the Issuer.

13.10 Issuer Substitution Condition

The Note Trustee (acting in accordance with the Trust Deed) may agree (and direct the Security Trustee to agree), subject to such amendment of these Conditions and of any of the Transaction Documents, and to such other conditions as the Note Trustee may require and subject to the terms of the Trust Deed, but without the consent of the Noteholders, to the substitution of another body corporate in place of the Issuer as principal debtor under the Trust Deed, the Notes and in respect of the other Secured Obligations, provided that the conditions set out in the Trust Deed are satisfied including, inter alia, that the Notes are unconditionally and irrevocably guaranteed by the Issuer (unless all of the assets of the Issuer are transferred to such body corporate) and that such body corporate is a single purpose vehicle and undertakes itself to be bound by provisions corresponding to those set out in Condition 5 (*Covenants*) (the "**Issuer Substitution Condition**"). In the case of a substitution pursuant to this Condition 13 (*Meetings of Noteholders, modification, waiver*

and substitution), the Note Trustee (acting in accordance with the Trust Deed) may in their absolute discretion agree, without the consent of the Noteholders, to a change in law governing the Notes and/or any of the Transaction Documents unless such change would, in the opinion of the Note Trustee, be materially prejudicial to the interests of the Noteholders.

14. **Indemnification and Exoneration of the Note Trustee and the Security Trustee**

The Trust Deed, the Irish Deed of Charge and the English Deed of Charge contain provisions governing the responsibility (and relief from responsibility) of the Note Trustee and the Security Trustee respectively and providing for their indemnification in certain circumstances, including provisions relieving them from taking action or, in the case of the Security Trustee, enforcing the Security, unless indemnified and/or prefunded and/or secured to their satisfaction.

The Trust Deed, the Irish Deed of Charge and the English Deed of Charge also contain provisions pursuant to which the Note Trustee and the Security Trustee are entitled, *inter alia*, (a) to enter into business transactions with the Issuer and/or any other party to any of the Transaction Documents and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer and/or any other party to any of the Transaction Documents, (b) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, individual Noteholders and (c) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

15. **Replacement of notes**

If any Note is mutilated, defaced, lost, stolen or destroyed, it may be replaced at the specified office of the Registrar subject to all applicable laws and stock exchange requirements. Replacement of any mutilated, defaced, lost, stolen or destroyed Note will only be made on payment of such costs as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. A mutilated or defaced Note must be surrendered before a new one will be issued.

16. **Notice to Noteholders**

16.1 **Publication of Notice**

- (a) In respect of Notes in definitive form, notices to Noteholders will be sent to them by first class post (or its equivalent) or (if posted to an address outside Ireland) by airmail at the respective addresses on the Register (or the first named of joint holders). Any such notice will be deemed to have been given on the fourth day after the date of posting.
- (b) While the Notes are represented by Global Note, notices to Noteholders will be delivered to Euroclear and/or Clearstream, Luxembourg for communication by them to Noteholders. Any notice delivered to Euroclear and/or Clearstream, Luxembourg, as aforesaid shall be deemed to have been given on the day of such delivery.
- (c) Irrespective of whether the Notes are in definitive form or are represented by Global Notes, so long as the relevant Notes are admitted to trading on, and listed on the Luxembourg Stock Exchange and the rules of the Luxembourg Stock Exchange so require, any notices to the Noteholders shall also be published in a manner which complies with the relevant guidelines of the Luxembourg Stock Exchange (including, where applicable, by way of stock exchange announcement), and any

such notice will be deemed to have been given on the date sent to the Luxembourg Stock Exchange. Notices will be published on the website of the Luxembourg Stock Exchange, www.luxse.com.

- (d) A copy of each notice provided to the Noteholder shall also be sent to the Swap Provider.

16.2 **Note Trustee's Discretion to Select Alternative Method**

The Note Trustee shall be at liberty to sanction another method of delivering notices to the Noteholders or category of them if, in its sole opinion, such other method is reasonable having regard to market practice then prevailing and to the requirements of the stock exchanges, competent listing authorities and/or quotation systems on or by which the Notes are then listed, quoted and/or traded and provided that notice of such other method is given to the Noteholders in such manner as the Note Trustee shall require.

17. **Replacement notes**

If the Issuer Substitution Condition is satisfied in accordance with these Terms and Conditions and the Trust Deed, the Issuer may, without the consent of the Noteholders, issue one or more classes of replacement notes ("**Replacement Notes**") to replace one or more Classes of Notes, each class of which shall have terms and conditions which may differ from the terms and conditions of the Class of Notes which it replaces. The issuance of the Replacement Notes shall not be materially prejudicial to the interests of the Noteholders.

18. **Subordination by deferral**

18.1 **Interest**

If, on any Interest Payment Date, the Issuer has, after having paid or provided for items of higher priority in the Pre-Enforcement Revenue Priority of Payments, insufficient funds to make payment in full of all amounts of interest (which shall, for the purposes of this Condition 18 (*Subordination by deferral*), include any interest previously deferred under this Condition 18.1 and accrued interest thereon) payable in respect of the Notes other than the Most Senior Class of Notes, then the Issuer shall be entitled to defer to the next Interest Payment Date the payment of interest (such interest, the "**Deferred Interest**") in respect of the Notes other than the Most Senior Class of Notes to the extent only of any insufficiency of funds. The Class D Notes and the Class E Notes shall not at any time be treated as the Most Senior Class of Notes for the purposes of this Condition.

18.2 **General**

Any amounts of Deferred Interest in respect of a Class of Notes shall accrue interest ("**Additional Interest**") at the same rate and on the same basis as scheduled interest in respect of the corresponding Class of Notes, but shall not be capitalised. Such Deferred Interest and Additional Interest shall, in any event, become payable on the next Interest Payment Date (unless and to the extent that Condition 18.1 (*Interest*) applies) or on such earlier date as the relevant Class of Notes becomes due and repayable in full in accordance with these Conditions.

18.3 **Notification**

As soon as practicable after becoming aware that any part of a payment of interest on a Class of Notes will be deferred or that a payment previously deferred will be made in accordance with this Condition 18 (*Subordination by deferral*), the Issuer will give notice

thereof to the relevant Class of Noteholders in accordance with Condition 16 (*Notice to Noteholders*). Any deferral of interest in accordance with this Condition 18 (*Subordination by deferral*) will not constitute an Event of Default. The provisions of this Condition 18 (*Subordination by deferral*) shall cease to apply on the Final Maturity Date, or any earlier date on which the Notes are redeemed in full or, are required to be redeemed in full, at which time all deferred interest and accrued interest thereon shall become due and payable.

19. **Non-responsive rating agency**

- (a) In respect of the exercise of any power, duty, trust, authority or discretion as contemplated hereunder or in relation to the Notes and any of the Transaction Documents, the Note Trustee and the Security Trustee shall be entitled but not obliged to take into account any written confirmation or affirmation (in any form acceptable to the Note Trustee and the Security Trustee) from the relevant Rating Agencies that the then current ratings of the Rated Notes will not be reduced, qualified, adversely affected or withdrawn thereby (a "**Rating Agency Confirmation**").
- (b) If a Rating Agency Confirmation or other response by a Rating Agency is a condition to any action or step under any Transaction Document and a written request for such Rating Agency Confirmation or response is delivered to each Rating Agency by or on behalf of the Issuer (copied to the Note Trustee and the Security Trustee, as applicable) and:
 - (i) (A) one Rating Agency (such Rating Agency, a "**Non-Responsive Rating Agency**") indicates that it does not consider such Rating Agency Confirmation or response necessary in the circumstances or that it does not, as a matter of practice or policy, provide such Rating Agency Confirmation or response or (B) within 30 days of delivery of such request, no Rating Agency Confirmation or response is received and/or such request elicits no statement by such Rating Agency that such Rating Agency Confirmation or response could not be given; and
 - (ii) one Rating Agency gives such Rating Agency Confirmation or response based on the same facts,

then such condition to receive a Rating Agency Confirmation or response from each Rating Agency shall be modified so that there shall be no requirement for the Rating Agency Confirmation or response from the Non-Responsive Rating Agency if the Issuer provides to the Note Trustee and the Security Trustee a certificate signed by two directors certifying and confirming that each of the events in paragraphs (i)(A) or (B) and (ii) above has occurred. If no such Rating Agency Confirmation is forthcoming and two directors of the Issuer have certified the same in writing to the Security Trustee (an "**Issuer Certificate**"), the Security Trustee shall be entitled (but not obliged) to assume from a written certificate of the Cash Manager to the Note Trustee and Security Trustee (a "**Cash Manager Certificate**") that such proposed action:

- (i) (while any of the Notes remain outstanding) has been notified to the Rating Agencies;
- (ii) would not adversely impact on the Issuer's ability to make payment when due in respect of the Notes;
- (iii) would not affect the legality, validity and enforceability of any of the Transaction Documents or any Security; and

- (iv) (while any of the Rated Notes remain outstanding) the then current rating of the Rated Notes would not be reduced, qualified, adversely affected or withdrawn,

upon which confirmation from the Rating Agencies, Issuer Certificate and/or Cash Manager Certificate, the Note Trustee and the Security Trustee shall be entitled to rely absolutely without liability to any person for so doing. In being entitled to take into account any such confirmation from the Rating Agencies, it is agreed and acknowledged by the Note Trustee and the Security Trustee that this does not impose or extend any actual or contingent liability for each of the Rating Agencies to the Security Trustee, the Note Trustee, the Noteholders or any other person or create any legal relations between each of the Rating Agencies and the Security Trustee, the Note Trustee, the Noteholders or any other person whether by way of contract or otherwise.

20. **Jurisdiction and governing law**

- (a) The Courts of England (the "**Courts**") are to have exclusive jurisdiction to settle any disputes that may arise out of or in connection with the Notes and the English Transaction Documents (including a dispute relating to non-contractual obligations or a dispute regarding the existence, validity or termination of any of the Notes or the English Transaction Documents or the consequences of their nullity) and accordingly any legal action or proceedings arising out of or in connection with the Notes and/or the English Transaction Documents may be brought in such Courts.
- (b) The courts of Ireland (the "**Irish Courts**") have exclusive jurisdiction to settle any disputes that may arise out of or in connection with the Irish Transaction Documents (including a dispute relating to non-contractual obligations of the Irish Transaction Documents) and accordingly any legal action or proceedings arising out of or in connection with the Irish Transaction Documents may be brought in the Irish Courts.
- (c) The Transaction Documents (other than the Mortgage Sale Agreement, the Servicing Agreement, the Corporate Services Agreement, the Irish Deed of Charge, the Originator Declaration of Trust, the Irish Issuer Power of Attorney, the Originator Power of Attorney and the Servicer Power of Attorney (together, the "**Irish Transaction Documents**")), the Notes and these Conditions (and any non-contractual obligations arising out of or in connection with them) are governed by, and shall be construed in accordance with, English law. The Irish Transaction Documents and all non-contractual obligations arising from or connected with them are governed by Irish law.

21. **Rights of third parties**

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Notes or these Conditions, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

EVIDENCE OF ENTITLEMENT TO ATTEND AND VOTE

2. A holder of a Note may require the issue by a Paying Agent of Voting Certificates and Block Voting Instructions in accordance with the terms of paragraph 3.

For the purposes of paragraph 3, the Principal Paying Agent and each Paying Agent shall be entitled to rely, without further enquiry, on any information or instructions received from a Clearing System and shall have no liability to any Noteholder or other person for any loss, damage, cost, claim or other liability occasioned by its acting in reliance thereon, nor for any failure by a Clearing System to deliver information or instructions to the Principal Paying Agent or any Paying Agent.

The holder of any Voting Certificate or the proxies named in any Block Voting Instruction shall for all purposes in connection with the relevant meeting be deemed to be the holder of the Notes to which such Voting Certificate or Block Voting Instruction relates and the Clearing System in which such Notes have been blocked shall be deemed for such purposes not to be the holder of those Notes.

PROCEDURE FOR ISSUE OF VOTING CERTIFICATES, BLOCK VOTING INSTRUCTIONS

- 3.

(a) Voting Certificate

A holder of a Note (not being a Note in respect of which instructions have been given to the Principal Paying Agent in accordance with paragraph 3(b)) may procure the delivery of a Voting Certificate in respect of such Note by giving notice to the Clearing System through which such holder's interest in the Note is held specifying by name a person (an "**Identified Person**") (which need not be the holder himself) to collect the Voting Certificate and attend and vote at the meeting. The relevant Voting Certificate will be made available at or shortly prior to the commencement of the meeting by the Principal Paying Agent against presentation by such Identified Person of the form of identification previously notified by such holder to the Clearing System. The Clearing System may prescribe forms of identification (including a passport or driving licence) which it deems appropriate for these purposes. Subject to receipt by the Principal Paying Agent from the Clearing System, no later than 24 Hours prior to the time for which such meeting is convened, of notification of the aggregate Principal Amount Outstanding of the Notes to be represented by any such Voting Certificate and the form of identification against presentation of which such Voting Certificate should be released, the Principal Paying Agent shall, without any obligation to make further enquiry, make available a Voting Certificate against presentation of the form of identification corresponding to that notified.

(b) Block Voting Instruction

A holder of a Note (not being a Note in respect of which a Voting Certificate has been issued) may require the Principal Paying Agent to issue a Block Voting Instruction in respect of such Note by first instructing the Clearing System through which such holder's interest in the Note is held to procure that the votes attributable to such Note should be cast at the meeting in a particular way in relation to the resolution or resolutions to be put to the meeting. Any such instruction shall be given in accordance with the rules of the Clearing System then in effect. Subject to receipt by the Principal Paying Agent of instructions from the Clearing System, no later than 24 Hours prior to the time for which such meeting is convened, of notification of the principal amount of the Notes in respect of which instructions have been given and the manner in which the votes attributable to such Notes should be

cast, the Principal Paying Agent shall, without any obligation to make further enquiry, appoint a proxy to attend the meeting and cast votes in accordance with such instructions.

- (c) Each Block Voting Instruction, together (if so requested by the Note Trustee) with proof satisfactory to the Note Trustee of its due execution on behalf of the relevant Paying Agent, and each form of proxy shall be deposited by the relevant Paying Agent or (as the case may be) by the Registrar at such place or delivered by another method as the Note Trustee shall approve not less than 24 Hours before the time appointed for holding the meeting at which the proxy or proxies named in the Block Voting Instruction or form of proxy proposes to vote and, in default, the Block Voting Instruction or form of proxy shall not be treated as valid unless the chairperson of the meeting (the "**Chairperson**") decides otherwise before such meeting proceeds to business. A copy of each Block Voting Instruction and form of proxy shall be deposited with or delivered by another method to the Note Trustee before the commencement of the meeting but the Note Trustee shall not thereby be obliged to investigate or be concerned with the validity of or the authority of the proxy or proxies named in any such Block Voting Instruction or form of proxy.
- (d) Any vote given in accordance with the terms of a Block Voting Instruction or form of proxy shall be valid notwithstanding the previous revocation or amendment of the Block Voting Instruction or form of proxy or of any of the instructions of the relevant holder or the relevant Clearing System (as the case may be) pursuant to which it was executed provided that no intimation in writing of such revocation or amendment has been received from the relevant Paying Agent (in the case of a Block Voting Instruction) or from the holder thereof (in the case of a proxy) by the Issuer at its registered office (or such other place as may have been required or approved by the Note Trustee for the purpose) by the time being 24 Hours (in the case of a Block Voting Instruction) or 48 Hours (in the case of a proxy) before the time appointed for holding the meeting at which the Block Voting Instruction or form of proxy is to be used.

CONVENING OF MEETINGS

- 4. The Issuer or the Note Trustee may at any time, and the Issuer shall upon a requisition in writing in the English language signed by the Noteholders of not less than 10% of the aggregate Principal Amount Outstanding of the Notes, convene a meeting of the Noteholders and if the Issuer makes default for a period of seven days in convening such a meeting of the Noteholders the same may be convened by the Note Trustee or the requisitionists. Whenever the Issuer is about to convene any such meeting of the Noteholders the Issuer shall forthwith give notice in writing to the Note Trustee of the day, time and place thereof and of the nature of the business to be transacted thereat. Every such meeting of the Noteholders shall be held at such time and place (which need not be a physical place and instead may be by way of conference call, including by use of a videoconference platform or other electronic platform) as the Note Trustee may appoint or approve in writing.
- 5. At least 21 Clear Days' notice specifying the place, day and hour of meeting shall be given to the Noteholders prior to any meeting of the Noteholders in the manner provided by the Conditions. Such notice, which shall be in the English language, shall state generally the nature of the business to be transacted at the meeting thereby convened and, in the case of an Extraordinary Resolution of the Noteholders, shall specify in such notice the terms of such resolution. Such notice shall include statements as to the manner in which

Noteholders may arrange for Voting Certificates or Block Voting Instructions to be issued and, if applicable, appoint proxies. A copy of the notice shall be sent by post to the Note Trustee (unless the meeting is convened by the Note Trustee) and to the Issuer (unless the meeting is convened by the Issuer).

6. A person (who may but need not be a Noteholder) nominated in writing by the Note Trustee shall be entitled to take the chair at the relevant meeting, but if no such nomination is made or if at any meeting the person nominated shall not be present within 15 minutes after the time appointed for holding the meeting the Noteholders present shall choose one of their number to be Chairperson, failing which the Issuer may appoint a Chairperson. The Chairperson of an adjourned meeting need not be the same person as was Chairperson of the meeting from which the adjournment took place.

QUORUM

7. No business (other than the choosing of a Chairperson) shall be transacted at any meeting of the Noteholders unless the requisite quorum is present at the commencement of the relevant business.
8. Except for the passing of an Extraordinary Resolution, the quorum at any such meeting of the Noteholders for the transaction of business (including the passing of an Ordinary Resolution) shall be one or more Eligible Persons present and representing in aggregate not less than 25 per cent. of the aggregate Principal Amount Outstanding of the relevant Class or Classes of Notes then outstanding.
9. The quorum at any such meeting of the Noteholders for passing an Extraordinary Resolution shall (except for the sanctioning of a Basic Terms Modification) be one or more Eligible Persons present and representing in aggregate not less than 50 per cent. of the aggregate Principal Amount Outstanding of the relevant Class or Classes of Notes then outstanding.
10. The quorum at any such meeting of the Noteholders for passing an Extraordinary Resolution in relation to a Basic Terms Modification shall be one or more Eligible Persons holding or representing in aggregate not less than 75 per cent. of the aggregate Principal Amount Outstanding of the relevant Class or Classes of Notes then outstanding.
11. The required quorum at any adjourned meeting is set out at paragraph 13 below.

ADJOURNED MEETINGS

12. If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairperson may decide) after the time appointed for any such meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the meeting shall if convened upon the requisition of Noteholders be dissolved. In any other case it shall stand adjourned to the same day in the next week (or if such day is a public holiday the next succeeding Business Day) at the same time and place (except in the case of a meeting at which an Extraordinary Resolution is to be proposed in which case it shall stand adjourned for such period, being not less than 13 Clear Days nor more than 42 Clear Days, and to such place as may be appointed by the Chairperson either at or subsequent to such meeting and approved by the Note Trustee). No meeting may be adjourned more than once for want of a quorum.
13. At any adjourned meeting of the Noteholders:

- (a) except for the passing of an Extraordinary Resolution, one or more Eligible Persons present and representing in aggregate not less than 10 per cent. of the aggregate Principal Amount Outstanding of the relevant Class or Classes of Notes then outstanding; or
- (b) for the passing of an Extraordinary Resolution (except for the sanctioning of a Basic Terms Modification) one or more Eligible Persons present and representing in aggregate not less than 25 per cent. of the aggregate Principal Amount Outstanding of the relevant Class or Classes of Notes then outstanding; or
- (c) for the passing of an Extraordinary Resolution in relation to a Basic Terms Modification, one or more Eligible Persons present and representing in aggregate not less than 50 per cent. of the aggregate Principal Amount Outstanding of the relevant Class or Classes of Notes then outstanding,

shall (subject as provided below) form a quorum and shall have power to pass such resolution and to decide upon all matters which could properly have been dealt with at the meeting from which the adjournment took place had the requisite quorum been present.

- 14. Notice of any adjourned meeting at which an Extraordinary Resolution is to be submitted shall be given in the same manner as notice of an original meeting but as if 10 were substituted for 21 in paragraph 5 and such notice shall state the required quorum. Subject as aforesaid it shall not be necessary to give any notice of an adjourned meeting.
- 15. All meetings of Noteholders convened in accordance with this Trust Deed shall either be held in Ireland, or by way of conference call, including by use of a video conference platform, as applicable.

CONDUCT OF BUSINESS AT MEETINGS

- 16. Every question submitted to a physical meeting shall be decided in the first instance by a show of hands. A poll may be demanded (before or on the declaration of the result of the show of hands) by the Chairperson, the Issuer, the Note Trustee or any Eligible Person (whatever the Principal Amount Outstanding of the Notes so represented by him). All resolutions put to any meeting not only physically held shall be voted on by a poll.
- 17. At any meeting, unless a poll is duly demanded, a declaration by the Chairperson that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
- 18. Subject to paragraph 20, if at any such meeting a poll is so demanded it shall be taken in such manner and, subject as hereinafter provided, either at once or after an adjournment as the Chairperson directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the motion on which the poll has been demanded.
- 19. The Chairperson may, with the consent of (and shall if directed by) any such meeting, adjourn the same from time to time and from place to place; but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place.
- 20. Any poll demanded at any such meeting on the election of a Chairperson or on any question of adjournment shall be taken at the meeting without adjournment.

21. Any director or officer of the Note Trustee, its lawyers and financial advisers, any director or officer of the Issuer, its lawyers and financial advisers, any director or officer of any of the Paying Agents and any other person authorised so to do by the Note Trustee may attend and speak at any meeting. Save as aforesaid, no person shall be entitled to attend and speak nor shall any person be entitled to vote at any meeting unless he is an Eligible Person. No person shall be entitled to vote at any meeting in respect of Notes which are deemed to be not outstanding by virtue of the proviso to the definition of "outstanding".
22. The Rating Agencies (unless the Noteholders decide by Ordinary Resolution at the relevant meeting and subject to the provisos that they will not be entitled to be present during voting (including on any such Ordinary Resolution as is referred to above)), will only be entitled to attend meetings convened to consider Extraordinary Resolutions and will not be permitted to speak at meetings.
23. At any meeting:
 - (a) on a show of hands every Eligible Person present shall have one vote; and
 - (b) in relation to a meeting of the Noteholders, on a poll every Eligible Person present shall have one vote in respect of each €1 (or such other amount as the Note Trustee may in its absolute discretion stipulate), in Principal Amount Outstanding of the Notes represented by such Eligible Person.

Without prejudice to the obligations of the proxies named in any Block Voting Instruction or form of proxy, any Eligible Person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

24. The proxies named in any Block Voting Instruction or form of proxy need not be Noteholders. Nothing herein shall prevent any of the proxies named in any Block Voting Instruction or form of proxy from being a director, officer or representative of or otherwise connected with the Issuer.
25. A meeting shall in addition to the powers hereinbefore given have the following powers exercisable only by Extraordinary Resolution (subject to the provisions relating to quorum contained in paragraphs 7 to 11) namely:
